## Planned gas works on Elmer Road

**Update 6<sup>th</sup> May 2026**

SGN will be applying a road closure to Rose Avenue at the junction with Elmer Road during the course of Monday May 11th 2026.

The closure is necessary to excavate and make new gas connections.

Traffic management will reroute vehicles via Main Drive for the duration of the work.

At this point it is uncertain how long the work will take but we are assured it will be for as short a period as necessary.
